## EQUAL OPPORTUNITIES POLICY

At LIDo our principal concern when considering applications is to recruit and select students who are likely to complete the programme successfully and derive greatest benefit from it. We regard issues such as disability, ethnic origin, gender, marital status, number of children, religion, politics and sexual orientation as irrelevant to the selection process. On submission of an application, you will be requested to complete a diversity monitoring form.

## APPLICANT'S DECLARATION

To the best of my knowledge, the information on this application is accurate and complete. Please note that LIDo reserves the right to refuse admission or to terminate a student's attendance should it be discovered that he/she has made a false statement or has omitted significant information. If you are offered a place, you will be required to provide evidence of your qualifications.

**Data Protection Act 1998:** I agree to LIDo processing personal data contained on this form, or other data which LIDo may obtain from me or other people or organisations while I am applying for admission to the programme. I agree to the processing and disclosure of such data for any purpose connected with my studies, or my health and safety while on the premises of the consortium institutions or for any other legitimate purpose.
